

PLANOGRAM FOR 6 FT ENDCAP

Shelf 1 installs on the 1st hole at the top of the endcap. Attach shelf liner that says "No Sanding" using double sided tape. Header sits on top of lined shelf 1.

Wording should come down onto the front of the endcap & the rest lies on the top of the shelf. Place a strip of double sided tape to the front of each shelf to adhere the liner to each shelf. Attach a strip down the sides to hold in place: If the liner is too long, trim from the back.

3pc Header, assembly required. Connect 2 smaller side graphics with wide graphic using plastic 90° corner connectors

Shelf 2 installs on the 6th hole from the top, or 7" down from the next shelf. Line shelf with shelf liner that says "Restoration Kits". Adhere with double sided tape.

Put Kits on the shelf with barcode facing out, 3 across, 1 high, at the front of the shelf.

Install one brush hanger (not Provided) centered between the color blocks in the open area. Cut a small hole and install the hanger. Hang brushes from hanger.

Attach the backdrop to the backing of the endcap with a staple gun, or double sided tape. Start at the very bottom of Shelf 2. Staple or tape each corner.

Shelf 3 installs on the 32nd hole or 31" from the top of the endcap.

From left to right, you will have 1 row of quarts followed by one row of pints, double stacked. Colors as follows: Cashmere, Iron Gate. Then leave space in the middle and start again with Manor House, Cathedral. Use the space in the middle to set a brochure holder (not provided) to hold the provided brochures.

Install shelf 4 on the 42nd hole or 40" from the top

From left to right, you will have 1 row of quarts followed by one row of pints, double stacked. Colors as follows: Cobblestone, Polo. Then leave space in the middle and start again with Cappuccino, Amalfi. In the space in the middle, double stack pints of Antiquing Gel.

Install Shelf 5 on the 51st hole or 51" from the top.

From left to right, you will have 1 row of quarts followed by one row of pints, double stacked. Colors as follows: French Toile, Tuscan Wheat. Then leave space in the middle and start again with Wedgewood, Verdigris. In the space in the middle, double stack pints of Antiquing Gel.

Put Kits on shelf with barcode facing out, 3 across, x 2 high at the front of the shelf.

If you have any questions on how to install your endcap graphics or about the Heritage Collection, please call 502.212.6077 or email orders@htpaint.com. Hours: M-F 9-5 pm EST.
